

Membership Application Form

Radio Modellers Singapore

The Club was formed in 1954 by a group of local aeromodellers in order to enhance the enjoyment of this hobby sport both technologically and socially. Flying was done at Old Kallang Airport. The club was officially registered with the Registrar of Societies on 31st July 1962 bearing the above name. Since its formation, the club has enjoyed good success and we invite you to come and join us and meet fellow modellers. Membership is open to all persons interested in pursuing the hobby of radio-controlled models. It is mandatory that you should be in possession of a valid Transmitting Licence obtainable from the Infocomm Development Authority of Singapore (IDA). It is your own responsibility to keep it valid. Please note that the club is not accountable for you should you be liable for not retaining a valid licence.

Upon acceptance of your application, you automatically become a PROBATIONARY MEMBER for a period of three months. During this period, you will be assessed by ordinary members of the club, any of whom may file a confidential report to the Executive Committee who is responsible for confirming your membership at the end of satisfactory completion of the probationary period.

However, the committee reserves the right to terminate your membership during the probationary period. No reasons need be given and no correspondence will be entered into for termination.

FEES

Entrance S\$150.00 refundable if membership is terminated during probation.

Annual Subscription

Ordinary member: S\$240.00
 Student/Junior member: S\$120.00
 Family Member: S\$280.00

Annual subscription is due, without notice, on the 1st January of each year and must be paid no later than the 1st March. Otherwise your membership will become automatically void and a fresh application will have to be made. This is because the subscription lapses at the end of each year regardless of joining date.

We also have scheme for DAY MEMBER whereby if you are a visitor to Singapore or If you do not wish to participate regularly in the activities of the club, you can pay a fee of S\$30.00 which will entitle you to the use of the club's facilities, when other members are present for the period of the day.

The use of club site is subject to confirmation from the authorities concerned and members should not use these sites until and unless permission is obtained prior to EACH DAY's activities. Your co-operation will be much appreciated.

Observance of a general code of conduct and etiquette at the field will go a long way to ensure the safety and pleasure of all members and their families who visit the flying field.

RULES AND REGULATIONS

1. Models to be flown must be airworthy. If in doubt, seek assistance from the club executive committee members or flight instructors.
2. Pilots who have not passed their basic proficiency test are not allowed to fly without supervision by a club flight instructor.
3. Model engines must only be started in the pits area (outside the tent), ensure the exhaust is not directed at another fellow! Helicopters must be started outside the tent on the helicopter patch.
4. Landings have priority over take offs. All take offs should be on the runways.
5. Flying over the tents, pits or car park is forbidden, for obvious reasons.
6. Young children and dogs must be restrained to avoid the possibility of falling or walking into models or spinning propellers.
7. Do help to keep our site litter free. Make use of trash bags provided to collect and take away your broken planes. Do not leave these on the site. Make use of trash bins provided for small items only.
8. Smile and enjoy yourself.
